The Honorable City Council
484 Broadway
Everett, MA 02149

Dear Honorable Members:

In accordance with the provisions of the Everett City Charter Article 3; Section 5(b), I hereby call a Special Meeting of the City Council to be held as follows:

Date: Monday, April 9, 2018

Time: 6:00 PM

Location: Peter J. McCarren Memorial Chambers in City Hall Everett, Massachusetts 02149

Subject: To conduct a public meeting in accordance with Massachusetts General Laws in order to discuss the capital needs and funding requirements to establish a Chapter 74- approved Vocational Technical Education Program.

It has been a top priority of mine to pursue the development of vocational training opportunities for the youth of Everett. Now more than ever, we are attracting businesses that will provide great job opportunities and career pathways for our students. Our challenge now is to provide our young people with the right training to access those jobs, which will pay a living wage and allow the next generation to stay in our great city.

After visiting a number of schools, including Medford Vocational Technical High School, which hosts several Everett students, I have found that these programs are highly valued and we must support these students with programs within our own high school and community.

The discussion will include, with members of the Everett Public Schools, review of program advisory committee regulations, the DESE Chapter 74 approval process, proposed facility space, equipment, and proposed programs, and a discussion regarding program labor, market, and workforce development issues.

Respectfully submitted,

Carlo DeMaria, Mayor

Cc: Sergio Cornelio, City Clerk
Caroline McCorry, City Council
