Order of Business:

AGENDA FOR REMOTE PARTICIPATION MEETING

In response to Governor Baker's declaration of a public health emergency and the related Emergency Executive Order dated March 12, 2020, the Everett Licensing Board shall be meeting remotely until further notice. The audioconferencing application Zoom will be used for this purpose. An online link and telephone access number will be provided on all meeting agendas and also on the City's website. No in-person attendance of members of the public will be permitted, but every effort will be made to ensure that the public can adequately access the proceedings in real time, via technological means. In the event that we are unable to do so, despite best efforts, we will post on the city's website an audio or video recording, transcript, or other comprehensive record of proceedings as soon as possible after the meeting.

This application will permit the public to access and participate in future Board meetings and hearings. Instructions for joining meetings in this manner will be provided on the City and City Clerk's websites. We extend our thanks for your understanding and participation in this manner, which is intended to keep members of the Board and the public safe.

For this meeting, members of the public who wish to watch, listen or provide comment during the meeting may do so in the following manner:
