PRESS RELEASE

Monday, December 7, 2015

2017 RESIDENTIAL PARKING STICKER INFORMATION

Mayor Carlo DeMaria is pleased to announce the official start date for the 2017 Residential Parking Sticker Program and would like to remind residents of the method for obtaining residential parking stickers.

Effective Monday, January 2nd, vehicle owners must visit the website <https://everettparking.cityhallsystems.com> and submit an online application in order to receive their stickers. Once the online application is complete, stickers will then be mailed directly to the resident. A link to the parking sticker website will also be available on the City's official website, cityofeverett.com as well as the City's Facebook Page.

As a courtesy, from January 2nd to February 28th, stickers may still be obtained for FREE. Then, beginning March 1st, the \$10, per sticker, fee will once again be reinstated.

Residents may apply for up to 4 stickers per online application. Information required to complete the application include name, address, license plate number, the name that appears on the registration, email and phone number. Once a resident has successfully submitted an application, they will receive an email notification of the order. Upon verification of their information, the resident will then receive an additional email as confirmation that the order has been successfully processed. The parking sticker will then be mailed to the resident.

The process for obtaining visitor placards will remain the same. Anyone wishing to request a visitor placard must do so in person at the Collector's Office in City Hall. Visitor placards are required for any visitors of Everett residents who wish to park overnight on the streets of Everett. Visitor placards cost \$5 for a one-night pass, \$10 for a 7-day pass, \$15 for a 14-day pass, \$20 for a 21-day pass and \$25 for a 30-day pass.

In order to obtain a visitor placard a resident must show proof of residency. Residency can be established with a MA driver's license, utility bill or lease. The license plate number of the visitor's vehicle must be provided at time of request. The visitor placard must be displayed on the driver's side of the dashboard, clearly visible through the windshield.

For questions regarding the residential parking sticker program or the online application contact the Parking Clerk's Office at 617.394.2295.
