### **MAYOR DEMARIA THANKS THE EVERETT FOUNDATION FOR AGED PERSONS** *Foundation donates to the City of Everett to support senior citizens*

Mayor Carlo DeMaria recently expressed the City's appreciation to the Everett Foundation for Aged Persons, Inc. for their generous donation to the Office of Human Services.

"I am so grateful to the Everett Foundation for Aged Persons for their generous donation," states Mayor DeMaria, "This will help us in providing assistance to Everett seniors. Many of us don't realize that many members of our community do not have the resources necessary, so we are glad that we are able to provide services needed throughout the year thanks to the generous support from local community groups, businesses and residents."

The Office of Human Services and the Council on Aging provide many activities for Everett's senior population. With the generous donation from the Foundation for Aged Persons, the City will be able to continue to subsidize much of this programming so that it can remain affordable for all senior residents.
