### **CITY OF EVERETT NAMED ONE OF THE TOP SPOTS TO LIVE IN GREATER BOSTON**

On Sunday, April 16<sup>th</sup> the Boston Globe Magazine, for the second year in a row, named Everett one of the hottest spots to live in the Greater Boston area. In the article, the Globe Magazine highlighted the ongoing development and growth occurring in the City and focused on cities and towns that have experienced the largest percentage jump in real estate.

Everett is seen as one of the next hot spots in the Greater Boston area for both businesses and residents. According to the Boston Globe Magazine, "Downtown Everett is No. 2 on a Boston-area "Hottest Neighborhoods of 2017" list by real estate brokerage Redfin. Like Revere, convenient-for-commuters Everett has changed quite a bit in the past few years, with the 2014 opening of the Batch Yard lofts in the old Charleston Chew factory.... But the real change agent is the construction of a \$2.4 billion Wynn casino, slated to open in 2019. Love the idea or hate it, it will change the face of the city forever."

"I am so proud that the Boston Globe Magazine named Everett as one of the best neighborhoods to live in the Greater Boston area," states Mayor DeMaria, "Everett was named number two because of our uniqueness and quality of life. We continue to be recognized for still being affordable, while also experiencing tremendous growth in value. With our breweries, community trail, and recently completed enVision Hotel, Everett is a great place to live, work, and play."
