### **KENNETH WARCHOL VISITS THE PARLIN LIBRARY**

Did you know that Kenneth Warchol is considered by many to be the bee whisperer? He is a member of the Worcester County Bee Keepers Association and a 6th generation caretaker of bees. His family's practice originated in Poland in the 1840s. On Wednesday, July 26<sup>th</sup> at 7:00 pm at the Parlin Library he will take us inside a beehive and help us to better understand this mysterious social insect and how the challenges honeybees face in our environment are essential to our own survival. To tempt us further, Ken will bring samples of a variety of honey for everyone to taste. Join us for a sweet treat! The Parlin is located at 410 Broadway. For more information, please call Parlin Reference Desk at (617) 394 2302.
