

Volunteers Needed

Everett officials are preparing for a range of possible emergencies, from hurricanes and blizzards to a flu pandemic and acts of terrorism. We need your help!

Join the Everett Medical Reserve Corps

The Everett Health Department is seeking volunteers for the Medical Reserve Corps & other volunteer activities.

Members of the Medical Reserve Corps would assist the community in responding to emergency situations and promote public health activities throughout the year.

- **Anyone aged 16 and over can apply.**
- No medical background required
- FREE training available to all volunteers
- Come support your community!
