NEW STADIUM FIELD NEAR COMPLETE

Mayor Carlo DeMaria Jr. is eager to sign off on the final punch list for phase one of the Everett Stadium Project. The new turf field is installed and will be ready for the 2010 Crimson Tide Football, Soccer, and the Pop Warner season. The stadium will be ready for opening kickoffs in September.

The Mayor will continue to seek additional private funding and grant opportunities to complete all three phases of the project. Eventually the Mayor would like to build a Veterans Memorial Wall, as well as rehabilitate the Stadium field-house, locker rooms, and historic front entrance.
